INTERST

I have a mix of experience in Artificial intelligence and medical field. My interest are to apply my medical knowledge with Ai to improve the medical field and connect it with AI.

SKIILS

- Deep learning
- Machine learning
- Data Science
- Data analysis
- Programming language: (Python)
- Framework: (Python, Tensorflow, OpenCv)
- Pharmacy: (OTC, Pharmacology)

LANGUAGES

- Arabic (Mother language)
- English (Fluent)

PROGRAMMING EXPERIENCE

Artificial intelligence

Deep learning trainer | Jun-2023 to Aug-2023

- Emotion Detection project
- Breast Cancer Project
- Pre trained model using image dataset

- Compare between 3 per trained model using image dataset

PHARMACY EXPERIENCE

- Community pharmacy (Jun-2022 to present)
- Delta pharmaceutical Company training (2021)
- Memphies Pharmaceutical Company training (2021)
- Nile pharmaceutical Company training (2019)

EDUCATION

- Bachelor's of Pharmacy from Sinai University

COURSES & CERTIFICATIONS

Artificial intelligence & Programming

- Artificial intelligence Diploma from Instant

Pharmacy

- SCP (Super community pharmacy) from PharmAcademy
- Oncology pharmacy from Medix
- Surgical pharmacist from Zewail University

OTHER

- Much fun: Anime, BBQ, Outing, Social gathering
